SPRING CAMP

Thursday 12th May to Sunday 15th May 2022

at

Bucklebury Equestrian, New Barn Farm, Bucklebury, RG7 6EF

By kind permission of Mr & Mrs Munro-Ashman

We have once again booked the lovely facilities at Bucklebury Equestrian (www.buckleburyequestrian.com) for a Wessex TREC training camp. There will be instruction on all three phases of TREC – both mounted and unmounted and plenty of chances to practice your skills before the Summer competition season starts.

There are a maximum of 25 places available and we will split into smaller groups for the training sessions. There will be Map reading theory with Lois Eyre and a mini unmounted treasure hunt to get everybody started, in groups, pairs or individual. Sam Turner will be taking flatwork training sessions on the Friday. Liz Beddows will be guiding us through the PTV obstacles out on the cross-country course. Other sessions are also planned with a least 2 organised sessions per day.

Bucklebury Equestrian has 15 stables available and 20 corrals. Straw bedding is provided in the stables but you will need to supply your own hay, feed and mucking out equipment. Human accommodation will be in your own tent/lorry etc but there are 2 toilets that have been completely refurbished and 2 showers!

You will need to provide your own breakfasts and Thursday evening meal. There is a fridge, urn and BBQ available for use. Lunch and cooked meals will be provided for all other times and we will also provide drinks and cakes at suitable moments! If you can please bring your own crockery and cutlery.

Arrival can be from Thursday afternoon (time to be confirmed) or if you wish you can arrive on Friday morning, training sessions will start at 9.30am so please arrive in time to be ready for then.

The cost is £225.00 to Wessex Members, £240 to TREC GB and other TREC club members and £250 to non-members.

Places will be allocated on a first come first served basis. To secure a place, please:

Equine Flu Requirements: TREC GB requires that all events, including training & camps, involving equines should insist that vaccinations are up to date (12 month cycle) and check passports before horses are unloaded. Horses that have had their annual vaccination or a booster, within the last six days of the event should not be allowed to compete. For unvaccinated horses to be able to compete a new programme takes a minimum of 28 days.

1. The twelve month cycle means that a horse's vaccinations should be dated on or within 365 days (twelve months), for each year recorded on the passport, after the initial cycle of three injections were originally completed. For example a horse vaccinated on 15th March one year needs to be vaccinated on or before 15th March the following year. This also applies in leap years.

2. Horses with several years of annual booster vaccinations can have gaps in their record provided that;

a) The first two primary injections were administered correctly before 1st January 2014. (2nd injection 21-92 days after the 1st injection).

b) All annual boosters since 1st January 2014 are within time.

If your horse is not registered on the TREC GB Equine flu database, please send a copy of your horse's vaccination certificate to the entries secretary along with your entry before the closing date.
