Equine Flu Requirements: TREC GB requires that all events, including training & camps, involving equines should insist that vaccinations are up to date (12-month cycle) and passports are checked before horses are unloaded. Horses that have had their annual vaccination or a booster, within the last six days of the event should not be allowed to compete. For unvaccinated horses to be able to compete, a new programme takes a minimum of 28 days.

1. The 12-month cycle means that a horse's vaccinations should be dated on or within 365 days (twelve months), for each year recorded on the passport, after the initial cycle of three injections were originally completed. For example, a horse vaccinated on 15th March one year needs to be vaccinated on or before 15th March the following year. This also applies in leap years.
2. Horses with several years of annual booster vaccinations can have gaps in their record provided that:
 - a) The first two primary injections were administered correctly before 1st January 2016. (2nd injection between 21-92 days after the 1st injection).
 - b) All annual boosters since 1st January 2016 are within time.

Your horse can be registered on the TREC GB central register by sending a copy of the full vaccination record and horse registration details from the passport to admin@trecgb.com. If you have registered your horse on the TREC GB Flu Register, please include the reference number on your entry form. Alternatively, your horse will be registered by the Entries Secretary for this event, please include a copy of the vaccination certificate and horse registration details when sending your completed entry in.

Helpers

All TREC competitions rely on the support of volunteer judges and helpers. Can you or anyone coming with you lend a hand? Please contact the organiser on 07827 812311 or by e-mail if you can assist us with judging or stewarding on the day. Competitors can also help us with setting up, clearing equipment away, collecting scores etc. No judging experience necessary – we are grateful for all offers of help and you will learn lots from the inside! Even a couple of hours help can make a difference and there are lots of jobs suitable for non-horsey mums/dads/partners. We provide all judges with free refreshments and a thank you present as appropriate.

Health and Safety

The event manager/organiser will take all reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the officials and stewards on the day.

Trained First Aiders will be present at the event and should be summoned through an official in the event of an accident. The event manager/organiser may provide contact telephone numbers for emergency veterinary and farriery services.

Competitors are asked to safeguard valuable tack and possessions. Young children must be supervised at all times. Neither the event manager/organiser nor the land/course owners can accept responsibility for loss or injury to persons or animals howsoever caused.

What is TREC?

TREC is a fun riding event usually comprising three phases. The competition involves the skills and situations a rider might encounter on a hack, including map reading (using Ordnance Survey maps usually 1:25 000 scale)

For more information about TREC, please visit the TREC GB website <http://trecgb.com/>

Competition Rules

All competitors must agree to comply with the TREC GB Rules as per the 5th edition TREC GB rulebook (plus subsequent amendments), which can be found at <https://trecgb.com/rules/>

In addition, pay particular attention to the following:

- 1) Horses must be a minimum of four years old to compete at Level 1, 2 and 2A and five years old to compete at levels 3 and 4 (i.e. for levels 1, 2 and 2A, a horse born in 2015 may compete in 2019). Mares more than four months pregnant may not compete.
- 2) The welfare of horses competing in British TREC competitions is paramount. No horse may compete if it is unsound or unfit to carry the rider for any reason. Any rider who continues on a horse that they know to be unsound or that has been definitively stopped by the veterinary surgeon or designated competent official on fitness and/ or welfare grounds will be eliminated from the competition.
- 3) Riders under the age of fourteen on day of competition may only compete in Pairs classes and must be accompanied by a rider of **18 years or older**. Pairs ride together for POR and separately for the MA and PTV. [Parents/guardians of competitors under the age of 18 on the day of the competition will be required to complete a Parental Consent Form \(available on the TREC GB website <<link>>\).](#)
- 4) All riders competing must be members of either Central TREC Group, TREC GB or a club affiliated to TREC GB. Non members will pay an additional £5 to become members of Central TREC Group for the duration of the competition.
- 5) Clearly visible coloured tail wraps/ribbons should be worn to advise other riders of a potential hazard – Red = kicker, Green = young/inexperienced horse, Blue = stallion. If the horse/pony is a stallion then stallion discs must also be worn on both sides of the bridle.

It is your responsibility to familiarise yourself with the basic rules. The TREC GB Rulebook (5th edition 1 February 2019 and the changes to it) can be found on the TREC GB website, <https://trecgb.com/rules/>

Required Equipment

Tack and equipment will be checked. Please see Appendix 3: Equipment List on page 62 5th edition TREC GB rulebook.
