

TREC South West present
Poltimore TREC Training Camp

At Poltimore Park, Poltimore, Exeter, Devon, EX4 0AU

Friday 20th May – Sunday 22nd May 2022

This training camp will be suitable for adult TREC riders of all levels, from complete beginners to the experienced. Open to TREC SW and other TREC clubs only. Camp will consist of three mounted sessions to cover the three areas of TREC found in a summer competition; the MA, PTV and POR. You will be grouped with a maximum of 3 other riders of a similar level. Around the weekend there will be scheduled unmounted sessions that will be available to all levels around map reading, course walking and equipment!

Entries Close: 20th April 2022

I have read and agree to abide by the CLUB & TREC GB rules. I am happy for any photographs taken to be used in event reports and publicity for the club and TREC GB. I further accept and acknowledge that horse riding is by nature a high risk sport and I take part entirely at my own risk.

Please note attendees must be aged 18 or over on the first day of camp.

Please sign and date

Information regarding lesson timetables, recommended packing lists and other requirements will be sent out after the entries closing date. This camp is designed to feel like a summer competition without the pressure of competition, if you have any concerns please let us know and we will do our best to accommodate you. Campers will need to supply their own drink and meals (human) excluding the Saturday night meal. Entrants will only have mounted access to the XC course during their scheduled sessions.

Terminology help for absolute beginners: Corraling is bringing your horse a fenced pen for over-night stays. The additional cost of this is £10 per night, you are not required to corral if you choose to take your horse home over night, or will not be bringing a corral for the day. You will need to supply your own fencing/fencer. Horse water and a place to dispose of dung will be available.

TSW Refund Policy

A full refund will be given on producing a veterinary or doctors certificate and £5 from the entry fee will be kept to cover administration costs. In the event of cancellation due to bad weather or Covid regulations a full refund will be given.

Please note:

Equine Flu Requirements: TREC GB requires that all events, including training & camps, involving equines should insist that vaccinations are up to date (12 month cycle) and check passports before horses are unloaded. Horses that have had their annual vaccination or a booster, within the last six days of the event should not be allowed to compete. For unvaccinated horses to be able to compete a new program takes a minimum of 28 days.

1. The twelve month cycle means that a horse's vaccinations should be dated on or within 365 days (twelve months), for each year recorded on the passport, after the initial cycle of three injections were originally completed. For example a horse vaccinated on 15th March one year needs to be vaccinated on or before 15th March the following year. This also applies in leap years.
2. Horses with several years of annual booster vaccinations can have gaps in their record provided that;
 - a) The first two primary injections were administered correctly before 1st January 2014. (2nd injection 21-92 days after the 1st injection).
 - b) All annual boosters since 1st January 2014 are within time.

Please send a copy of your horse's vaccination certificate to the entries secretary along with your entry before the closing date. Copies can be sent by email / post.
